The Sheridan College board of trustees amended its 2007-08 budget Thursday to account for \$9.2 million in "unanticipated" state revenue.

The entire amount is slated for construction of a Technical Education Center at the Gillette campus as passed by the 2007 Legislature (Senate File 124).

Trustees also approved receipt of a \$1.25 million endowment from Whitney Benefits Inc. and a matching state grant to create the E.A. Whitney Professorship in Agriculture in collaboration with the University of Wyoming.

Trustees also appointed Alice Bratton to the Gillette College Advisory Board.

Trustees next meet at 7 p.m. Oct. 18 at the Gillette campus.
